

Appendix F

List of Integral Containers Approved for Intransit Cold Treatment

This directory is updated quarterly. Call Oxford Plant Protection Laboratory or your local Plant Protection and Quarantine (PPQ) Office for a current list of approved containers.

If you have any questions regarding the status of a self-refrigerated container, contact Oxford Plant Protection Laboratory at Commercial Area Code (919) 693-5151 or fax (919) 693-3870.
